

Got it — you're thinking in the **right direction (high-value niche + done-for-you prompts)**. But let me sharpen it:

👉 Just “50 prompts” alone won't sell at a **high price**

👉 “50 prompts + outcomes (design quality + real use)” = sells at premium

So we'll build this like a **₹999–₹2,999 premium digital product**, not a cheap PDF.
